Case No. 3:21-cv-00336-MMD-CLB

**AGREED ORDER STAYING RULE 26(a)
DISCLOSURES AND DISCOVERY**

The parties are in settlement discussions and have agreed, subject to the approval of the Court, to stay discovery while settlement talks proceed. The stay would apply to Rule 26(a) disclosures, currently due on February 1, 2022 (ECF No. 74), and to any other written or oral discovery, including the Rule 34 Requests to Produce for Inspection served by the Plaintiff on Defendants on November 18, 2021, and any motion practice with respect to such discovery. This stay will remain in effect until March 1, 2022, subject to extension in the event settlement talks are mutually deemed to be materially progressing. In the event a settlement is not reached, the parties will prepare an amended Joint Case Management Report, with adjusted deadlines, and submit it to the Court.

Accordingly, it is hereby ORDERED:

In light of settlement talks between the parties, Rule 26(a) disclosures, currently due on February 1, 2022, are stayed until further order of the Court;

Any other written or oral discovery, including the Rule 34 Requests to Produce for

Inspection served by the Plaintiff on Defendants on November 18, 2021, and any other discovery served to date by any party on any other party, and any motion practice with respect to such discovery, also is stayed;

This stay shall remain in place until March 1, 2022, subject to extension by agreement, and approval of the Court, should the parties mutually determine that settlement talks are materially progressing;

In the event a settlement is not reached, the parties shall prepare and submit to the Court an amended Joint Case Management Report, with deadlines adjusted appropriately.

The parties so move and agree to be bound by the terms of this Order:
